I love that one too!! It was published in Lark Book s 500 Pendants and Locketts that came out earlier this year. it to good use.

I love this thing! I would wear it everywhere, and make up new stories for everyone who asked about it.

:) They are Min Pins and here s a link to a little about them if you have time to take a peek.

There s a vintage flash bulb where the glass ball would be and it s wrapped with antique fishing cable and hardware.
